

Tanya K. Orme Memorial Scholarship Fund Scholarship Program

The Tanya K. Orme Memorial Scholarship Fund was created in the memory of a beautiful, free-spirited, inspirational young woman, whose life was dedicated to helping others and creating a better world.

Through selfless deeds, music, art, dance, and food, Tanya planted seeds of wonder in all who knew her. She was the cook aboard the *AJ Meerwald* when her life abruptly ended.

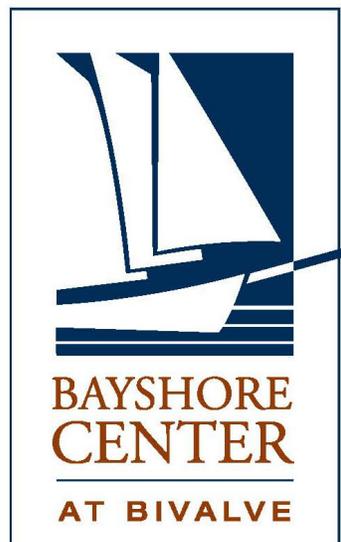

The Bayshore Center at Bivalve has set up a scholarship fund in Tanya's memory to help others who share her passion for life partake in the inspirational sailing experiences in which Tanya spent her last few years.

Scholarships are awarded to individuals who aspire to create a better world. The Bayshore Center at Bivalve wishes to help those who have that passion, but may need some financial assistance, to have the opportunity to become empowered on board the *AJ Meerwald*. Applicants must demonstrate that they have a passion to improve the world that they live in. They must describe, in writing, how they feel that a week on board the *AJ Meerwald* will help them to achieve their goals.

To Apply:

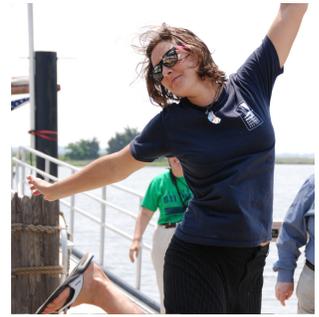

Applicants must be between the ages of 13 and 17. They must complete the attached application in full and return it to the Bayshore Center at Bivalve at least 30 days before the start of camp. An incomplete application will not be considered for funding.

Applications will be reviewed by a committee and applicants will be notified of the committee's decision at least two weeks before camp. The Tanya K. Orme Memorial Fund Scholarship Program offers equal opportunity to students 13-17 and does not discriminate on the basis of gender, race, creed, or religious affiliation.
